The government respectfully moves for an order unsealing the indictment and arrest warrant in this case for the limited purpose of disclosing the existence of, or disseminating, the indictment and arrest warrant to relevant United States, foreign, or intergovernmental authorities, at the discretion of the United States and in connection with efforts to secure the defendant's extradition. As part of those efforts the government will need to obtain certified copies of the sealed indictment and sealed arrest warrant from the Clerk of Court to disseminate to foreign authorities.

The above-named defendant is subject to provisional arrest in Estonia, but the indictment against him has not yet been unsealed. Accordingly, there is good cause to maintain these documents under seal and to unseal them only for the limited purpose of securing the extradition.
